

Dear Hiring Manager,

I am writing to express my interest in a position within your organization. With over two years of experience building responsive and user-friendly web applications using JavaScript, Vue.js, and React.js, I am confident that I can add value to your team.

Some of my key strengths include:

- Developing reusable and modular front-end components
- Integrating and managing CMS platforms like VTEX and Flash
- Improving website performance and accessibility
- Collaborating effectively within Agile and Scrum teams
- Troubleshooting and resolving UI bugs to improve reliability
- Automating routine tasks to save time and effort

I enjoy solving problems and working with teams to deliver quality results on time. I am excited to bring my experience in component development, CMS integration, and web optimization to your projects.

Thank you for considering my application. I look forward to the opportunity to discuss how I can contribute.

Best regards,

Nikhil Nath P
